RACHEL AND THE CLAQUE.—Among the curious letters which Mademoiselle Rachel had received in the course of her theatrical career was one which she was fond TS NOW OPEN, AND THE SUBSCRIBER SOLICITS of showing. She had just created a new character in a modern piece, and during the first evening was loudly applauded. The next, however, she thought her recepion was by no means so warm, and she complained of it, adding that the claque did not do its duty. She was informed that the head of the illustrous body was ill at the moment, and that he had been obliged to get his place temporarily taken by a confrere from a theatre on the Boulevards. This latter personage, having heard the

"Mademoiselle, I cannot remain under the obloquy of an authentic statement of what really took place: At I have also a daily Stage line running to Kenansville, the first representation I led the attack in person no less than 33 times! We had three acclamations, four hilarities, two thrilling movements, four renewals of applause kins, Clinton; J. B. Southerland, Warsaw; John Campbell, and two indefinite explosions. In fact, to such an extent did we carry our applause that the occupants of the stalls were scandalized and cried out a la porte. My men were positively exhausted with fatigue, and even intimated to me that they could not again go through such an evening. Seeing such to be the case, I applied for the manuscript, and, after having profoundly studied the piece, I was obliged to make up my mind, for the second my men. I, however, applied them only to MM. and if the ad interim office which I hold affords me the opportunity, I will make them ample amends. In such situation as that which I have just depicted, I have only T appearing to the satisfaction of the Court, that the de- to request you to believe firmly in my profound admifendants are non-residents: It is, therefore, ordered by ration and respectful zeal; and I venture to entreat you the Court, that publication be made in the Wilmington Jour- to have some consideration for the difficulties which environ me.
